

For inspired teaching that offers us knowledge - for an understanding that helps us to understand - for the ability and talent that gives us a chance to grow and develop culturally - for all that he has helped us to achieve - with deep respect and admiration, we dedicate the 1960-61 HILLCREST to Martin Haavisto.

We, the Annual Staff of 1960, have been selected to collect the happenings of this year. We feel that we have accomplished our goal. We have captured the bright leaves of Fall; the snow-covered limbs of Winter; and last the blossoming forth of Spring. May this edition of the "Hillcrest" be long remembered in the hearts and minds of all of you.

PRINCIPAL'S MESSAGE: The distribution of the "Hillcrest" heralds the end of another school term. Graduates, carrying a new sense of purpose, will scatter to seek their respective fortunes. Those who remain will regroup and replan for next year, always looking ahead to the day when they will occupy the coveted Senior section.

This yearbook has faithfully recorded your accomplishments over the year and will serve as a sentimental friend when you tend to reminisce those days in English 9, American Problems, or Band. Victories and defeats of the basketball court, baseball diamond and football gridiron will become vivid as you page through in years hence.

Your school staff and administration bid you well and trust the talents displayed this past year will not be wasted.

This year Colby had its first foreign exchange student. Klaus Rein came to our high school from Mainz, Germany. He would like to take this time to say farewell and thank everyone for making his stay in America a memorable one.

My dear friends,
The time has come for me now that I have to say good-bye to you, the time that I have to go home to the country where I have come from. I can assure you that it won't be easy to leave here, though it is my home country where I am going. I have found here in your town and in your high school so many friends who made the one school year that I spent with you as one of CHS students the most wonderful one that I have ever had. Colby has become a second home town for me to which, I hope, I once will return.

I want to thank you and the Faculty and everybody else for everything that you have done for me.

Thank you so much and when God will - Auf Wiedersehen!
