## Varsity: The Games The Thing

This year, the Homets' quest for the state record of 38 wins in a row was brought back down to earth when Colby traveled to Neillsville on September 26, and lost, 17--14. Before the loss, Colby had taken 31 games and, ironically, the Hornets were edged by a field goal in the last seconds, which is how Neillsville fell to them the preceding year. Dreams of taking second place in the Cloverbelt Conference were shattered when they were upset by Fall Creek, 23--0. This years' team was made up by 19 seniors, 16 juniors, and 17 sophomores. But the seasons' success cannot truly be regarded in terms of how many games were won or lost as the team and the fans ex-

emplified a great deal of good sportsmanship.

This season marks the last time that Colby will be competing in the Cloverbelt Conference. During the season, the Hornets received news that next year they would be entered in competition against schools from

the Lumberjack Conference.

Four players from Colby were named to the all-conference list. These players were: Al Carlson and Jim Yaron at the lineman position, Steve Waldhart at guard, and Jeff Peissig at linebacker. Receiving honorable mention were: Brad Caskey, Jerry Mueller, Brian Tyznik, and Dan Mielke. Jeff Peissig was also named to the Channel 7 all--star listings.

This year's Cross Country was the best ever in the history of the team. The team went to state without winning a meet. This is a Cross Country record. At the state meet the CC team ran to a forth place finish. The team's leading runners were Red Hesgard and Arnie

Riese, (co-captains) Rick Busse, Mark Fischer, and Bob Thieme. The team trained to Coach Johnson's steady cadence of "Beat Loyal", "Beat Neilsville" and "Beat Tomahawk". They also trained to the rhythmn of "Guts it out!"

### Varsity

This year's girls Vollyball team went to regionals with three wins in a row. They lost their first game and couldn't go on any farther. Captain for this year's varsity was Claire Eggebrecht.

The J. V. team has four wins to credit themselfs with. Captain for this year's J. V. team was Cindy Heeg. Coaches for this year's teams were Miss Degner and Miss Jacbson.

Although the 2-8 record might not suggest a successful season, 1975 was the best season ever for the girls. Eleven out of twelve school records were broken and three meets were lost by fewer than 5 points.

It was a very satisfying year for the coaches as they watched the swimmers and divers improve right through the sectional competition as Colby finished 6th out of 11 teams.

Perhaps, the thing to be most remembered about this team, was the outstanding leadership provided by the Seniors. And through their efforts and hard work, they have issued a challenge to next year's team to top their efforts.

Bottom Row: Ann Schmidt, Pam Herring, Jodi Hubing, Connie Ludwig, Karen Rueden, Susan Bartnik, Ruth Gabriel. 2nd Row: Beth Pinter, Julie Dearth, Terri Mohan, Wanita Underwood, Miss Senderhauf.

The 1975-76 season has been the best ever for the Colby Tankers. Experience has been a key to the Hornets success. Three Seniors and nine Juniors anchor the team for Head Coach Bruce LaSota. The tankers have been competing with valley schools this year as well as close rival Medford. At the time of this printing the Hornets hold a 7-2 dual meet record with 4 more meets to hold.

New records were set in each of the eleven events this year testifying to the squads hard work and dedication.

## On The Rise

Plagued by lack of returning starters and a distinct disadvantage due to lack of height, this year's varsity basketball season proved to be a learning experience for the majority of the players. Besides the five seniors on the team, there were also four sophomores and two juniors.

The play of the Hornets was of a very inconsistent nature and this was largely a reflection of the inexperience of many of the players, as they were generally matched against taller and more experienced opponents. Sheer desire and some excellent shooting provided exciting wins, in cluding a very dramatic last second win against Thorp, who, before game time, was considered to be a possible contender for the conference championship.

Prospects look very bright for next season because of the amount of experience that has been by underclassmen this year. It's a young, but an up and coming team.

## "We're For Real!"

"Hey, that Girls' Track Team is for real," commented many of the males at Colby High last spring. The girls in their second year, placed fourth in the Cloverbelt. The girls' mile relay, won by Colby was a thrilling climax to the conference meet.

The second year showed many refinements in all events. There were many great individual efforts, and a team spirit that was unbeatable. By the end of the season, Coach Knight had lost his voice and developed a taste for camations. The coaches and team members look for an even better year in 1976.

Members of National Honor Society are chosen on the basis of scholarship, service, leadership and character. The club's function is one of service and of trying to involve others in the unselfish task of doing their share in the world's work. In the past year's service projects have been on all levels: school, community, state, national and international. Contributions of \$50 have been given to the Colonial Home Activity fund, UNICEF milk fund, Cancer fund, and Earthquake fund. Two paintings in the high school study hall and 4 flowering trees in the courtyard were donated by N.H.S. members to help beautify the school environment.

This year's Hornet Highlights was written and compiled by the new journalism class under the direction of Miss Meath and Mrs. Braatz. The class produced one issue monthly.

The class of 24 students worked daily on articles, interviews, photography, typing, proofreading, corrections, and the actual laying out of the paper which many times

is extended into the late evening.

They attended the Chippewa Valley Student Press at the University of Wisconsin, Eau Claire. The students of this year's journalism class gained alot of experience in conducting interviews and gained much knowledge in the writing field.

In the beginning, the earth was void and without form. Since that time developement of the human mind increased, gradually, ever building, and ever growing, until the time came when developement was increasing at such a rate that the simple human mind could not comprehend as rapidly as developement occurred. At that time progress split into two forms. The discoveries continued with more developement, starting parallel, this parallel developement

was the recording of past achievements, and Audio-Visual recording equipment came in to being. Our AV operates out of one small room in this school. However, the task it overcomes in a sense keeps the entire teaching staff gliding smoothly. The AV club distributes anything from an extension cord to projectors and the Audio Visual Monitor. It can be quite safely stated after reviewing the club that this year's AV was the best AV we had this year.

# Keeping Up

Varsity cheerleaders kept up C.H.S. spirit during this year's football and basketball seasons. They attended camp at CSC, UW-Oshkosh, winning the over-all trophy and the spirit stick every night, plus loads of ribbons. The squad consisted of Julie Olund, Cheryl Staffiel, Dianne Hilber, Wanita Underwood, Lori Schraufnagel and Pam Heeg.

# The Spirit

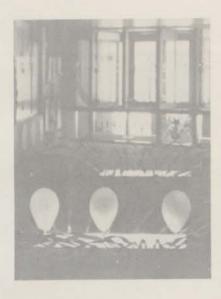

The Colby wrestlers had some high-spirited cheer-leaders at their matches. Making up the squad were Terri Mohan, Jody Krueger, Mary Krebsbach, Lauie Rhyner and Jan Waldhart. The squad participated in the DCA, UW-River Falls camp and won a 4th in overall competition.

Junior varsity cheerleaders had as much pep as the rest. They attended camp at the Cheerleading Institute in DePere, and came home with a movie camera and a megaphone for their performance. Members of the squad are Cathy Searer, Elaine Mercier, Peggy Sommers, Peggy Becker and Pam Smith.

Pep Club, one of the largest organizations of Colby High School, strives to create enthusiasm throughout the school year. They have sponsored many activities, from the bonfire at homecoming to a variety of fund raising events. Advisor, Mr. Langham, has his hands full, but does an excellent job. This year's officers were: Sara Koch--President, Bronwyn Rannow--vice-president, Randy Hesgard--treasurer, and Cindy Heeg--secretary. The club is made up of the cheerleaders, athletes, and individuals who are interested in creating spirit and enthusiasm for Colby's sports events.

#### We Do It Annually

The annual staff has once more successfully completed this year's annual. With the dedication of Joel Benjegerdes, the editor, pages were carefully perfected. At every meeting, members faithfully worked typing, cropping pictures and designing layouts. After school time was generally devoted in turning out pages, while listening to Ken Monness aggravate Mr. Hofland, or exchange stories about Carrie Pfefferkorn, working overtime in the dark room.

Another year, another annual. But do you realize the work that is involved in the process of putting together an annual? There is student work, and more student work, until the final product is complete. And then there must be cooperation from both Faculty and students. Then there is of course recognition from outside sources, Clark Electric Cooperative just to name one.

The people of the Annual Staff would like especially to extend thanks to Keel Studios for the excellent job they did in the photographing of the groups of this school.

But probably no one realizes that at the core of the annual is the School Board, Administration, and Faculty who through their advisorship determine what is going to be included in the annual.
