Dedication

The 1982 Hillcrest is being dedicated to Mrs. Joyce Haavisto for her many years of service at Colby High School. She began teaching in 1953 and came to Colby High in 1954. Mrs. Haavisto continued to teach until February of 1980 when illness forced her to leave her teaching position.

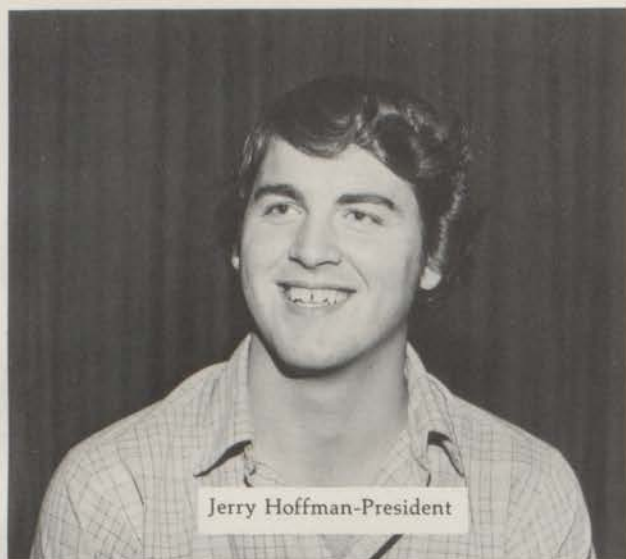

During her years at Colby High, Mrs. Haavisto taught courses in typing, shorthand, accounting, and geography. She also served as FBLA and class advisors.

In her spare time she enjoys reading, fishing, sewing, knitting, and gardening.

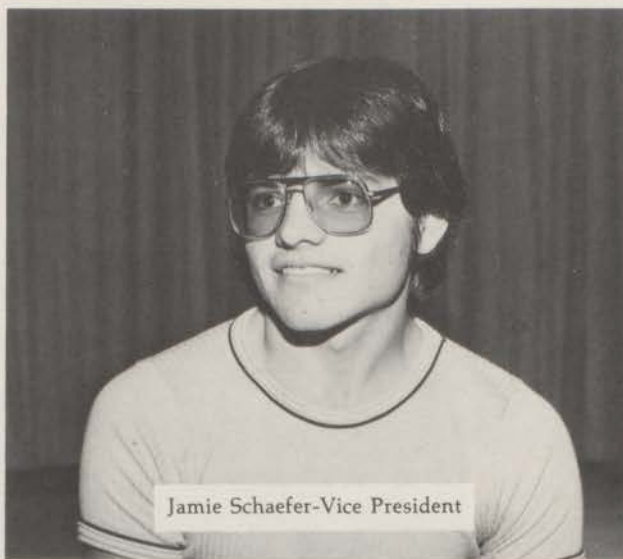

While teaching at Colby High, Mrs. Haavisto saw the merger of Unity and Dorchester into the school district and many changes in the business field.

One of the things Mrs. Haavisto misses most about teaching is being with young people.

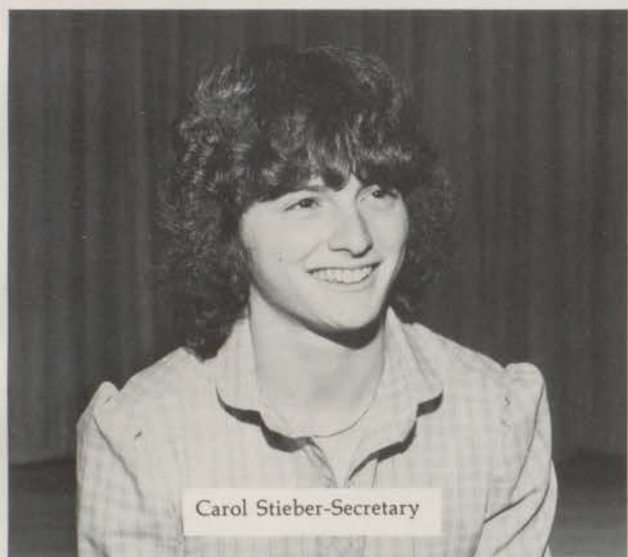

Class officers plan graduation

Jerry Hoffman-President

Jamie Schaefer-Vice President

Carol Stieber-Secretary

Nancy Haas-Treasurer

The officers, mainly Hoffman, worked with the seniors to make graduation a special occasion for the class. As usual, the colors and song had to be chosen, but there was a debate on the date of graduation. The class, their parents, and the school board made a decision on what they thought was best for everyone. The seniors also did something different this year. They purchased something for the school in the memory of the class of 1982.

To most, graduation is an event that confuses, elates, frightens, becomes a destination, frees, gives a feeling of accomplishment, lets us out in the real

world, and comes upon us so quickly. Along with all of the fun, decision-making, and graduation parties, many memories come in mind. Remember when ...

- .. we had all those surprise 18th birthday parties?
- .. we had the 7th and 8th grade dances?
- .. we started preparing for graduation parties in 1979 and earlier?
- .. the weekends were here and we didn't know what we were going to do until we got somewhere?
- .. we thought this day would never come?

SOPHOMORES ELECT CLASS OFFICERS

On September 8, 1981, the sophomore class elected their class officers. Those chosen were (from left to right): vice-president-Nichole Lipari, president-Tom Pietrowski, secretary-Karen Olund, and treasurer-Karen Eggebrecht.

When asked why they wanted to run for an office, their comments were: "I take interest in what our class does and I can put my opinion in to get things done," Pietrowski said. Lipari stated, "I wanted to run for an office so I could help plan some fun events for the sophomore class." "I wanted to help do new things for the class and running for an office was the only way I could voice my opinion," Olund commented. Eggebrecht said, "I wanted to help organize our class and help with projects."

Ordering class rings, homecoming week decorating, and various dances were the activities done by the sophomore class. All in all, it has been a very memorable year.

Last year's King, Arnie Jagodzinski, crowning 1980 Prom King, Jerry Hoffman.

King Jerry Hoffman crowns his queen, Dawn Krebsbach.

over the 1980 Junior Prom

Crownbearers for the Prom were Penny and Paul Stuttgen. Are they a future king or queen?

This good-looking group from left to right are Steve Witmer, Laura Apfelbeck, Laura Schmidt, John Jantsch, Jackie Nienow, Arnie Jagodzinski, and Debbie Suidak.

Jerry and Dawn trip the light fantastic.

Jerry Hoffman and Dawn Krebsbach reigned over the 1980 Junior Prom. The main feature of the prom was a park-like gazebo decorated with paper flowers. The colors that decorated the gym were various shades of green.

The crownbearers were the Stuttgen twins, Penny and Paul. The theme song, *Keep On Loving You*, was performed by the Weber Lightfoot Combo.

Mr. Vic Bundgaard, the Junior class advisor, stated, "All in all, the prom went very well except for the fact that a large sum of money was paid for the prom compared to the small amount of people that attended."

Hoffman stated, "I was very shocked at being picked as King, but I thought it was neat."

Krebsbach also agreed, "It was a shock, but I thought it was a real honor."

Homecoming 1981

Students participated in a flurry of activities to boost spirit throughout Fall Classic Week. Some of the activities sponsored by this year's Pep Club were: hall decorating competition, pep sessions, skit competition, button sales, and dress-up days.

The homecoming court was chosen from each of the fall sports. The Representatives of each sport chose an escort from another fall sport. Students in grades nine through twelve voted for king and queen.

The week's activities culminated on a Saturday evening in September when a rainbow theme colorfully graced Colby's gym for the annual Fall Classic-Homecoming dance. The theme song, "On and On", by Stephen Bishop was played by this year's band, Slo-Motion Walter. Reigning over the dance were King Brian Pinter and Queen Karla Underwood.

Pep Club advisors felt pleased with the increased participation of students in varied activities and were also happy with the concept of honoring all the fall sports. They hope to see this continued in the future.

This school year the Masquers club had a very large enrollment which totaled 70 members. The play "Your A Good Man Charlie Brown," was performed on December 4 and 6, 1981. In the fall a trip was taken with the Art Club to the Guthrie Theater to see the play "Foxfire". The play "Don't Drink The Water," a comedy, was performed in the spring of 1982. Other trips and fun raisers were also a part of the club's activities.

Thespians is a select group of Masquers. To earn a Masquers pin, 20 points must be accumulated. An additional 20 points earns Masquers the honor of Thespians, a national organization.

In the past years, Thespians were a large group and put on their own production. With a decline in the number of Thespians, separate plays are no longer possible.

Several of the Thespians have earned stars. Each star indicates an additional 20 points have been earned.

Thespians have privileges such as first choice of going on field trips and others. Every Masquer officer is a Thespian this year.

Pep Club had a small but active membership this year. Each member had the chance to participate in the year's activities. The members and advisors started the year by introducing new ideas for improvement and making the club a more active spirit organization.

A poster, put up by the office entrance, made the student body more aware of the various sports events occurring each week. A popcorn machine was purchased in 1981 and was used at almost all of the home sports events. Once again, Pep Club sponsored the Fall Classic Week.

Pep Club also sponsored a dress-up week January 18-23 for the winter sports season and a record hop on February 5 after the basketball game. The proceeds from the fund-raiser, the sale of Hershey candy bars, were used for tickets for a Brewer game in the spring and for the purchase of something beneficial to the club or school.

The members and advisors of the Pep Club, the "spirit boosters," have accomplished a lot with its small number of members compared to other years. Miss Debbie Garland, an advisor, said, "I was glad when I was asked to advise Pep Club. Our school needs a lot of spirit and pep and Pep Club helps make it that way. Also having two advisors made it a lot easier. One of us was always around to help when someone needed it." Mrs. Cathy Peck adds, "The Pep Club is working on a revitalization program and looking for more student leadership. With the improvement in student spirit this year, we're looking forward to great things next year."

The WJDA officers meet with the executive board once a year to discuss the year's program. On June 14-16, a state WJDA show will be held at Rice Lake.

The club also holds several contests throughout the year. A demonstration contest and an extemporaneous speaking contest, held for those who wish to give their ideas or views on some part of the dairy industry, are held.

Judy Heindl, senior, was elected State FHA president in the spring of 1981 at the state convention in LaCrosse. Her duties included visiting FHA chapters, planning and attending conferences, and attending March of Dimes and Leadership conferences.

Editor's Note . . .

Esther Venzke: Editor

For those seniors who cannot wait to graduate, it has been a long year. For some it has been a frightening year, full of many decisions. There have been days when it seemed like the seniors would break down the walls. And there have been days of slamming lockers and muttering curses. Many of us met in kindergarten or grade school. Many lasting friendships have been made. We've survived boring classes, exciting classes, parties, dances, and fights. We've grown together, learning so many lessons along the way. Finally, our senior year has come.

Our objective in the annual is to record memories of the year. It was my wish and goal to make this year's annual an extra-special one for the seniors. I hope everyone, but especially the seniors, will cherish the memories of this year. To remember the moments, laughing at the silly things we've done, cherishing the good, learning from the bad; that is our purpose.

The annual staff has kept that purpose in mind as we have put together our annual. But we worked not only for memories, but for class. It takes a lot of hard work to put out the annual. It is the combined effort of the advisors and staff.

I would like to acknowledge our advisors, Marcia Zuelke and Al Durocher. They have spent so much time working with us and helping me keep my sanity. When we have deadlines to meet, they work with us, for long hours, at inconvenient times, over vacations, to get the pages finished. We need their sense of responsibility and leadership to keep us functioning.

I also commend those members of the annual staff who made sacrifices, such as their vacation, to meet their deadlines. It is a group effort, a small group effort to be exact. Although our staff has many new members this year, it has not had any great increase in size. Luckily, some people realize that without a staff, there would be no annual.

Finally, I wish to thank Keel Studio for taking most of our club and some of our sports pictures. They provide this service for us free of charge and it does not go unappreciated.

Now, as we prepare to graduate and go our separate ways, let us remember our high school days and especially our senior year . . . the teachers, who have given a part of themselves . . . the administrators, who want what is best for us . . . our friends, from whom we learn and who we teach great lessons . . . and ourselves, the unique person, the individual, to whom high school may have been the greatest of times, or the most confusing or depressing of times. I remind you: Do the best **YOU** can! Only you know your true potential. Use it. Make a mark; scratch your name in the world. **YOU CAN.**

*It was the best of times, it was the worst of times,
it was the age of wisdom, it was the age of foolishness,
it was the epoch of belief, it was the epoch of incredulity,
it was the season of Light, it was the season of Darkness,
it was the spring of hope, it was the winter of despair...*
