In Memory Of ... Doug Polzin

Doug was with us fourteen years and in that short time he showed everyone his true friendship, along with his bright personality.

He enjoyed hunting. He was also active in sports. Doug was a member of art club and the Freshman representative for student council. He spent a lot of time earning money on his paper route.

We will all miss our true friend Doug.

Memories To Cherish ...

A good friend to remember always, even though you're not here to share in the laughter,

we can not forget you, for we will remember you now and forever after.

If only by chance He'd let you again, just come back to where you had been, For the love will remain, and the memories we cherish may never cause any pain, for you were the laughter in our hearts day after day, only your distant voice departs. The memories we cherish will always be there we just return all the loving care that you had along with your

endless school spirit. We realize the end is near for all though we do fear it, soon all of us will be hearing God's call.

On December 3, Kim Frome, senior died from smoke inhalation.

During her years of high school, Kim was active in Art Club, FHA, C Club, Pep Club and cheerleading. Her freshman year she was a class officer and a member of homecoming court.

Paul Yaron, a 1979 graduate of Colby, also died as a result of the fire. Kim and Paul had announced their engagement in September.

After graduation, Kim had hoped to go into commercial art. Kim always wished just to be happy and that is how we will remember her.

24 In remembrance of our fellow classmate and dear friend, we dedicate the 1983 Hillcrest to Kim Frome. KIM

Dedication

Remembering all of the good times we had Keeps going through my mind. You were the best friend anyone could have; Definitely one of a kind.

You gave me the strength You helped me to grow, Always bringing me up When I was feeling low.

You had such good times You had so many friends, Why did God take you away And make our relationship end?

You were just starting life With Paul, going to make it on your own, It seems just like yesterday You called me on the phone.

The years we have had Have been the best, You are gone now Your body laid to rest.

All of your dreams I hoped would come true, You and Paul were so happy And, oh, so in love were you.

No matter what I knew you would be there, When I was in a mess And needed someone who'd care.

You were someone special Always by my side, Saying you were my friend Gave me such great pride.

We'll go on with our lives We'll fulfill our dreams, All of the things we planned To you, I know what it means.

You want us to be happy And make the most of our lives, We will do it for you We will put forth and strive.

You are gone now With God up above, You left us so suddenly With the one that you loved.

Look down on us now Guide us on our way, We will be together In another time and day.

I love you, Kim And I will see you again, Until then, I will go on with my life Until my life comes to an end.

The King and Queen enjoy the dance.

Prom 1982 started a new tradition. The dance and the meal were held at the Sword in Colby. Male court members were voted on by the class and then they chose their escorts. Class members then selected the King and Queen. Members of the court are King, Bill Bartnik and Queen, Vicki Schmutzler; Darrell Hornick and Jill Bruesewitz; Kurt Halopka and Cathy Stieber; Paul Empey and Tina Van Straten; Mike Rahm and Barb Bruesewitz. Crown bearers were Keith Bruesewitz and Melissa Ganz.

A meal was served and catered by the Redwood. Music for the dance was provided by Crosswinds. "Open Arms" by Journey was the theme song. Couples were announced and circled the floor for the Grand March. Mrs. Weis, junior advisor, said, "The highpoint of Prom was having it at the Sword." She summed up Prom by saying, "It was the best Prom Colby has had in quite a few years because the music was super, there was a good turnout and it began a new tradition."

Last year's King, Jerry Hoffman, crowns Bill Bartnik.

Bill crowns his Queen, Vicki Schmutzler.

Couples circle the floor for the Grand March.

Row 1 L. to R. Julie Thums, Sue Rau, Stephanie Weix, Shelly Meier, Deb Gonnering, Danette Holtman. Row 2 Rick Clifford, Cathy Nosbisch, Ann Brill, Steve Subera, Karla Underwood, Dennis Wibben, and Tom Pietrowski.

From L. to R. advisor Marie Braatz, photographer and design editor Dennis Wibben, editor-in-chief Sue Rau, sports editor Rick Clifford, and advisor Pat Thies.

Each year Hornet Highlights is entered in competition. This year, for the first time ever, it received first place in general excellence for schools with enrollments over 500. The award was given at the Wisconsin Chippewa Valley School Press Association conference last fall. The 1981-82 issues were entered.

The 1982-83 staff had only three returning staff members, seniors Rick Clifford, Sue Rau, and Dennis Wibben. Rau served as editor-in-chief, Wibben as head photographer and design editor, and Clifford was sports editor.

Hornet Highlights staff members are responsible for almost every aspect of the paper. They must write, edit, type, assemble, and proofread everything that goes into the paper. This year these areas of production went a little smoother with the help of Jay O'Leary, owner and publisher of the Tribune-Phonograph. O'Leary donated two typesetters and a headline machine to the class.

Throughout the year, individual articles and photographs are entered in competition. Several students and an advisor attend a conference in Oshkosh during May.

The season was started with much anticipation and enthusiasm. The boys team was made up of many runners who had never ran before and the girls had very few runners. The teams improved at every meet. Every meet was accepted as a challenge to do better.

With the conference and sectional meets coming up the teams were determined to win. The boys won conference, the girls placed second. The highlight of the year was the sectionals with both teams placing first and advancing to state. The state meet was held at Kenosha. Running at state was an experience which will live on forever and is the goal for next year.

We're Champions

Girls' and boys' cross country teams made it to state competition in the fall of 1982. Both teams placed first at sectionals held in Black River Falls.

Girls finished eighth at state in a field of ten teams. Boys finished tenth.

The boys' team hoped to place higher at state but has high expectations for next year because they are losing only two seniors to graduation.

Girls' cross country team also hopes to return to state next year. They are losing one senior.

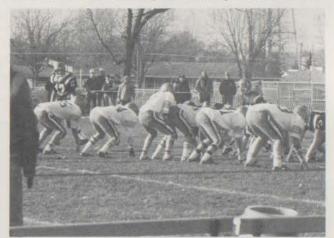

In the fall of 1982, the football team reached the semifinals before getting beat by Oconto Falls, 26-0 at Oconto Falls.

In regular season play, the Hornets went undefeated, five of them counting for shutouts. They beat two-time state champions Mosinee, and clinched the conference title beating Loyal.

Their post-season victory happened when they had a 21-19 victory over Gale-Ettrick-Trempeleau at Marshfield.

At Oconto Falls, the Hornets fell behind for the first time all season and stayed that way to be shutout.

Coach, Steve Linzmeier, said, "We've wrestled better this year, which raised our confidence." Much of this confidence comes from the eight seniors on the team. Senior members include Brian Pinter, Kurt Halopka, Shaye Pope, Bill Boor, Bill Kroeplin, Dave Bach, Tim Duvall, and Jeff Dahl.

Victories, this season, were gained over Owen, Wausau Newman, Columbus, Phillips, and especially rival Medford High School.

Editor's Note

The 1982-83 Yearbook Staff wanted to try something new and different with the annual and held a contest between the grades. This was the first time something on this order was done. There were not many contestants, but those that did participate dressed up very well and did a good job. Hopefully, if a contest is used again, there will be more participants.

For the past couple of years, John H. Keel Photography has taken the group pictures used in the annual. The staff is very thankful for their help each year, for if it were not for them, we would probably not have as many good pictures as we do.

As in other years, we have had to take these pictures during class time. The photographer, myself, and the staff members would like to get these pictures taken as soon as possible so teachers can get back to their schedules. This year, though, it took entirely too long because of lack of cooperation. There were some students who felt that they could stand around and make childish gestures. Also, what makes it hard for myself and the photographer is no one listening when the pictures are being taken. Some people have their mouths open, are laughing, or have their backs to the camera. This does not make a very good picture.

This year, we have been told that there were people in pictures when they were not supposed to be. It is not the staff's or the photographer's duty, but the advisor or the president of the organization to make sure that the people who are in the picture belong in the picture. Also this year, we had trouble with people say...g "can you wait, our president is not here" or "our treasurer is missing." We try to get everyone in on the pictures, but we cannot schedule a photographer around somebody's absence.

I do not wish to make this editor's note sound foul, but I want these occurrences known so they can be changed by next year. I would like to thank Keel Studio for their help, the teachers for their cooperation and Miss Zuelke and Mr. Durocher for doing so much this year. I would, also like to wish Betsy Pfefferkorn and Linda Rau the best of luck on next year's annual.

This year was one of the most successful ever for the girl's track team. They won the Tribune Phonograph for the second straight year. Making the win a season highlight. In addition to the TP victory, the girls placed high in their other meets of the season.

Many people wondered who from this talented team would make it to the state competition. Colby was represented by Mary Sonnemann in the 100 yard dash and the 800 yard relay of Barb Bruesewitz, Laurie Ludwig, Tina Sonnemann, and Mary Sonnemann.

Bruesewitz finishing relay.

Even with all this balance, the team only qualified one member for sectionals. Mark Underwood qualified with a triple jump of 40' 11¼''. Mark placed 3rd at the sectional meet. Missing a trip to Madison by one place.
