1983-84 Administration

Superintendent Edward Haas

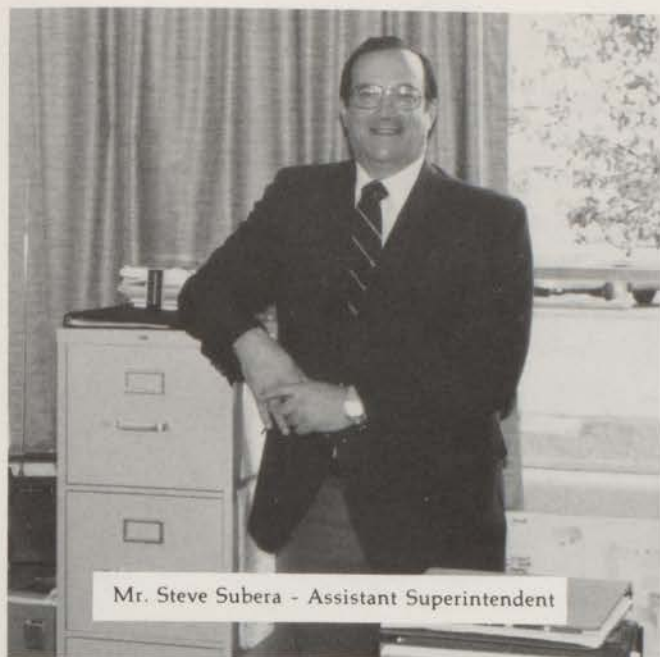

"The Hillcrest is a book of memories brought to us by a dedicated annual staff interested in depicting fond, cherished experiences at Colby High. The yearbook reflects the endeavors of our school life in curricular, co-curricular, and extra-curricular activities. You will enjoy paging through the Hillcrest and making silly remarks about this or that. Five, ten years from now we will blow off the dust, page through it and reminisce. Then and now. That is what it is all about. A well-deserved thank you goes out to the staff and advisors of Hillcrest '84. — Best Regards, Mr. James Saxton

Colby High School

"The District Administrator is the Executive Officer of the Board of Education. He is responsible to the Board for the enforcement of district policies. Other primary functions are providing leadership in planning for budget, educational programming and sound business management techniques. His goal is to provide the best education possible for the students of the Colby School District." — Mr. Edward Haas

Principal James Saxton

Mr. Steve Subera - Assistant Superintendent

Mr. Erv LaFave - Administrative Assistant

"Much success to the 1984 graduates of Colby High School and to the annual staff for a job well done. Education is a lifelong process, and we hope that each of you have been provided with a determination and a foundation to acquire it for yourself." — Mr. Steve Subera

"My first year at Colby Junior-Senior High School has been the most interesting year in my Educational career. To the Seniors, my hope is that this year will be a memorable time in your life, and in the future, you succeed at whatever endeavors you choose. To the Underclassmen, I look forward to the opportunity of working with you and the staff to help prepare for the years to come. To all here at Colby, I congratulate everyone on an overall successful year." — Mr. Erv LaFave

Hillcrest Dedication 1984

Faculty Member

Mrs. Bernice Brandner

During the 1983-84 school year Mrs. Brandner is teaching social studies. She poses above with section 7-2. In addition to social studies, she also teaches a section of reading to the seventh graders.

To many students, the first teacher they get to know as they enter this building is Bernice Brandner. They soon come to know her as someone who is really interested and concerned about them. She always wants what's best for them and she is always available to help in any way she can. This interest does not stop as they leave the junior high school, but remains throughout the senior high school years as well. Mrs. Brandner demonstrates time after time that she really cares about the students of Colby High School and is truly their friend.

Bernice Brandner has been with the Colby School System for 21 of her 30 years of teaching. During this time, she has taught practically every subject within

the junior high curriculum with the exceptions being science and music.

Mrs. Brandner is a leader among the junior high staff. She has assisted the junior high students with homecoming and has been very active in setting up social activities for the junior high, such as rec nights, rollerskating, and fan buses to sporting events.

Her students will not truly appreciate everything she does for them until they look back years later at their junior high school days.

° Thank you, Bernice Brandner.

1. Mrs. Brandner helps Scott Dorn and Gary Wolf find the correct answer.
2. Beth Pipkorn is caught off-guard by our camera.
3. This is a very familiar door to our students. Through this door is Mrs. Brandner's social studies class. The poster that fills the window was made by student, Jim Leffel.
4. Most teachers have messy desk tops. How does Mrs. Brandner manage to keep hers so neat? Her desk top gives us some insight into what she teaches and some of her rules.
5. Bernice Brandner has an easy going relationship with students including seventh grader, Gary Wolf. Gary took a lot of teasing for helping the yearbook staff with this picture. Thanks, Gary.

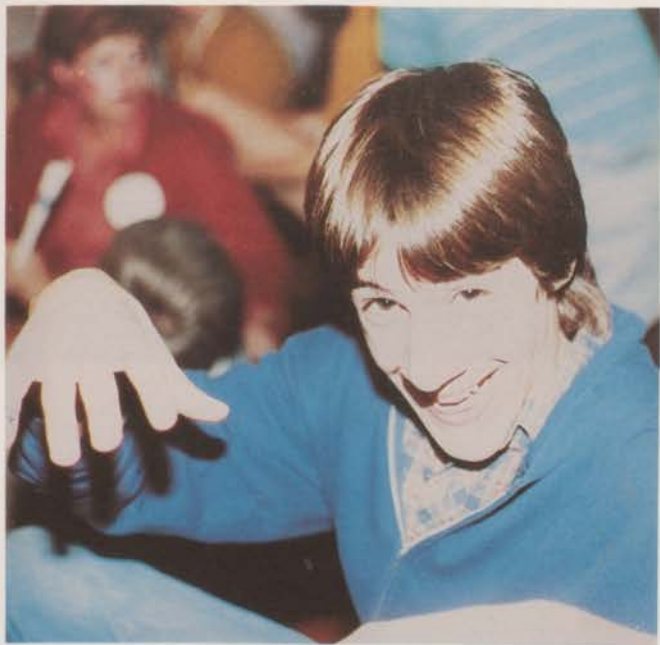

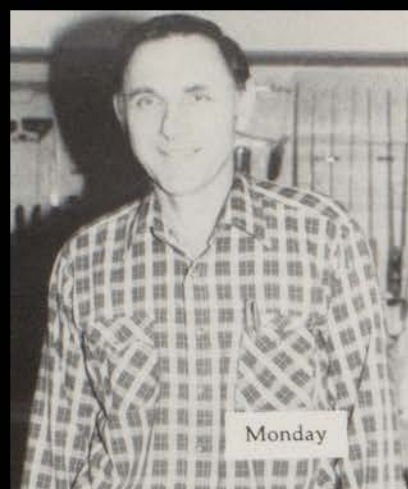

1. Wayne Hendrickson and Sandy Pawlowicz: Football
2. Lisa Beisner and Jeff Rachu: Volleyball
3. Sue Bach and Brian Johnson: Cross Country-Girls'

The junior class of 1983-84 is having a successful year. During Homecoming Week, the class took first place in hall decorations.

Members of the class are excelling in athletics and organizations. Some junior athletes have gained recognition as athletes in their conference. Other members are leaders of certain clubs. Some even hold state offices.

The junior class is also getting prepared for their Junior Prom.

Just think . . . one more year.

This year there are 123 Freshmen at Colby High School under the advisement of Mr. LaVenture, Mrs. Fults, Mr. Langham, and Mr. Mirsberger. Many of the Freshmen are involved in sports, such as football, volleyball, basketball, and swimming. During Homecoming, the Freshmen worked at hall decorating, spirit, and on a skit. They were awarded by being named overall winners of Homecoming.

At the right is a familiar threesome around school. Freshmen, Ann Luther, Carolyn Bach, and Denise Pflanzner are caught by the camera. Nice pose, Ann.

The eighth graders begin the year with a feeling of maturity! The reason is that they are no longer the youngest students in the building. Rec Nights are held during the year for the students. Activities include free swimming, open gyms, and dancing in Mr. Mavis's room. Mrs. Brandner treats everyone to some very special snacks. As a change of pace this year, a rec night was replaced with rollerskating.

The audience enjoyed this new format, especially the combined finale, "Tribute of Carols." On December 20th, the Junior High Band and Choral departments presented their concert. This also proved a success.

The Senior High choral students presented their third annual variety

show on February 21st, with music and laughs for everyone. Proceeds from the variety show help send students to summer music camp.

The next thing on the calendar was the district Solo-Ensemble festival at Mosinee. It was held on Friday, March 16th. Colby students who received a superior rating in class A went on to state competition at Stevens Point on May 5th.

The large group festival was hosted

by Colby this year. It took place on April 7th.

The year came to a close with the annual Spring Concert in mid-May. All Junior and Senior High choruses and specialty groups performed.

SUMMER SUPPLEMENT I

Girls, Boys And Junior

The 1984 track season was a rebuilding season for the girls. The whole team was plagued by illness and injuries. This resulted in being the second year in ten years that nobody went to state, although Annette Oelrich and Mary Sonnemann had advanced to the sectionals at Cadott. Though there were many senior leaders and strong performances by the underclassmen, Colby usually placed in second or third place and only placed first in one meet. Overall, though it was a rebuilding season, the girls gained experience and the 1985 season will be one to look forward to.

High Tracksters Gain Experience

The 1984 Boy's track team showed that it could compete with any team with just sixteen boys on the team. Injuries and a lack of tracksters hurt the team in the aspect of scoring points. Depth was lacking. Despite the lack of technical achievements, the boys strived for and broke their own personal best with a lot of ability and optimism. Next year's team looks promising because of the ability and experience shown this year.
