## Senior Class History

We have come a long way, and even though it seemed at times we wouldn't make it, here we are about to graduate as Seniors from Colby Hi.

We enrolled as green Freshmen in 1945, with fifty-nine members in a worthy class. We almost immediately elected Don Primeau, Audrey Singstock, Gloriette Olson, and Erma Schumacher as our class officers. Billy Waldhart and Faith Mabbott were our carnival King and Queen candidates, but we didn't quite make it so we came out second. Miss Ludwig was our class advisor.

As experienced Sophomores, we enrolled fifty-five strong in the fall of 1946, and named as our business executives, Gloriette Olson, Bill Waldhart, Dolores Firnstahl, and Jean Blanchard. Mrs. Frome was our able class advisor. Bill Bauer and Maxine Farning were our carnival candidates, who reigned as King and Queen through the mighty efforts of the class.

With thoughts of the Junior Prom, etc., we enrolled as Juniors in 1947, with fifty-two members. Our officers were Everett Mossing, George Vrana, Agnes Brill, and Dolores Firnstahl. We again won the carnival King and Queen contest, with George Vrana and Betty Berg reigning. The big event of ours was the Junior Prom, everyone had a grand time. Everett Mossing and Maxine Farning were King and Queen.

With fifty-two dignified Seniors we entered Colby Hi in 1948, and placed our business in the hands of Ralph Nystrom, Estelle Kunze, Jim Dorst, and Bill Waldhart. We again succeeded in electing Jack Schantini and Marianne Hofmann as King and Queen to set a record of having won this contest three years in a row. Our Senior Ball had Ralph Nystrom and Alvera Nosbisch reigning as King and Queen. Miss Lumley and Mr. Bender are our class advisors.

So we depart from Colby Hi, looking back and remembering, but also looking ahead to see what the future may hold for us.

Neatness . . . . .	Marianne Hofmann

## *Class Prophecy 1959*

We will begin with our Janitor's son, Bill Bauer, the bearded wonder in Hollywood selling shaving lotion, and it so happens that Clyde Brehm, is touring the country playing bass and piano with Spike Jones and His City Slickers. We find that Betty Berg, didn't stray too far from home, but turned out to be one of the "Big Wheels" for Blue Moon Cheese in Colby. Our songstress, Jean Blanchard, has organized the world's largest baby sitting association, "The Packard, You Wet 'Em, We Change 'Em" Corporation. Now to get to the speedy side of things, we find that Marianne Hofmann is designing motorcycles for Harley-Davidson, also Marvin Thede replaces Jimmy Lynch as the ---- driver of 1959. Now to get down to the fine points, Gloriette Olson is married to Gene Artery, and has two little corpuscles. Pat Reeves is married to a lineman and has three live wires. Gordon Schuster, the multi-millionaire, has contributed a cool million for all the dogs who lost their tails in the III World War, while Elmer Jewett has established a monument for the Crippled Ox Cart Drivers of Siberia.

The pride and joy of the Office Practice Class, Agnes Brill, has joined the Navy as one of their secretaries. Marcella Hanson has just completed her masterpiece, the book "A Bush Grows in Colby". Barbara Rasmussen has established a new system of bookkeeping. We were amazed to find that Doriane Diedrich and Norman Sill were singing blues in the Copa Cabana Night Club. Joyce Erdman started a drive for funds for "Contact lenses for Office Workers". Then we have the "Hildegard" of 1959, none other than Miss Rankel. The educated personalities of the class who decided to devote their time to teaching the rest of the population are, Audrey Leu, as Professor of History in South Africa -- Faith Mabbott a Home Economics teacher and Betty Rex, Principal of Colby High School. Vivian Schultz is devoting her time to the Indians, she is teaching a kindergarten class on an Indian Reservation. Mary Sazama is head librarian of Colby. Melvin Ewert is taking over Mr. McKernon's place as History Teacher.

The marriage side consists of --- Virginia Voelker who married \_\_\_\_\_ Lemon and has four little squirts, Maxine Farning, typical housewife, "Haas" 10 cows, 3 pigs, and a daughter. Geraldine Keller married a Ford owner and settled down with a dancehall. Milton Grieser is the father of "blonde" twins, and Wallace Hamann is the "Croon King" of the day.

In the Business Professions we have Allen Dins operating a Beauty Saloon. Jim Dorst admitted to the bar ! ! ! "Clark County Tavern Association". Ralph Nystrom is a traveling salesman, selling ladies lingerie. Ronald Scheel is selling limburger cheese. Ralph Schillinger is President of Swigely's Spearment Gum. Bill Waldhart has half interest in the Marshfield Nurses Home. Mercedes Kaiser owns "Square Dal Skeet's Car Lot". Doris Langjahr is president of the Langjahr Candy Company.

In Private Business we have Estelle Kunze who has organized her own "River-side Gang". Doris Oehmichen has a comic strip of her own. Beatrice Schoelzel is making tomahawks with her friend at Tomahawk. Laura Weix is designing "blue jeans". Everett Mossing developed a new full length mirror which he gazes into constantly. George Vrana is Einstein the II. Alvera Nosbisch -- "World Famous Girl of Many Dimensions". Dolores Firnstahl, surveyor for a tall-dark-handsome male -- still looking. Jim Gutenberg has realized his life's ambition to be a center on a basketball team.-- while Dolores Schultz is center for the All American Blackheads Basketball Team.

Herb Hoernke has developed a turkey with four drum sticks. Junior Podevels is foreman for the Gene Artery Ranch. Jack Schantini a famous surgeon, has an undertaker for his best friend, so he can cover up all of his mistakes. Wilbert Remus is judge for the Miss America Contest, and Don Primeau has decided to put an end to this nonsense and has jumped off the poop deck of the Queen Mary.

The following fall as Sophomores our enrollment was 42. We placed our business in the hands of Duane Riedel, Floyd Stecker, Roberta Brehm, and Beverly Hauser with Mr. Makholm as our advisor. Carol Miller and Floyd Stecker represented us in the carnival. Again we took second place.

In the fall of 1948 there were 49 Juniors ready to start work. Our class election put Raymond Smudde, Jerry Allmann, Ella Haas, and Dorothy Gosse as officers with Mr. Jackson directing us. Our carnival candidates were Kenneth Laube and Betty Beck. Again we came out as usual in second place. But wait until next year.

## *Class History*

Late in August in the year nineteen hundred and forty-seven, forty-eight bewildered freshman entered Colby High School with willing hearts. Here is where we planned to spend the greater part of the next four years.

At our first meeting of our class, the business was put in the hands of Harold Baumgartner, Ethel Giese, Joan Keller, and Evelyn Mielke with Miss Heglund as our advisor.

This year as sophomores, matters were in the hands of Ambrose Schuh, Rose Ertl, Evelyn Primeau, Kenneth Schulz and Sharon Schultz with Miss Heglund as our advisor again.

Carnival time was an exciting event for us as frosh. Candidates were June Johnson and Harold Baumgartner. We turned out fourth and this year with Stanley Vrana and Evelyn Primeau we turned out third against the competition from the upper classes.

This year it was the sophomores turn to initiate the Frosh and I'm sure you'll find we did a good job of it.

Our class is "Up and Coming" and taking part in the school events. We are looking forward to making great history for Colby Hi in the next two years.

## *Class History*

On August 30, 1948, forty-two freshmen, feeling a little frightened but looking very eager, entered the doors of Colby High School. It was all very new to us and we were quite confused the first few days. We soon learned our way around and go into the full swing of things.

As our class officers we have Marlene Hibbard, Rodney Riedel, Dorothy Wilson, Grant Smart with Mrs. Hemphill as our class advisor.

After a few weeks of school we were initiated by the sophomores. During the day the boys and girls wore their hair tied in bunches, wore men's shirts, wore jeans rolled up to the knees, different colored socks and different shoes. In the evening the sophomores gave us a party.

We elected as our candidates for the carnival king and queen, Kenny Hasenohrl and Margaret Sazama. Although we ended up in fourth place we did have fun getting votes.

We are very proud of our Freshman class as they are taking part in many of our school activities. By the time we are Seniors we all hope Colby High School will be proud of us.

### MADRIGALS

One of dear old Colby Hi's chief claims to fame is the Madrigals.

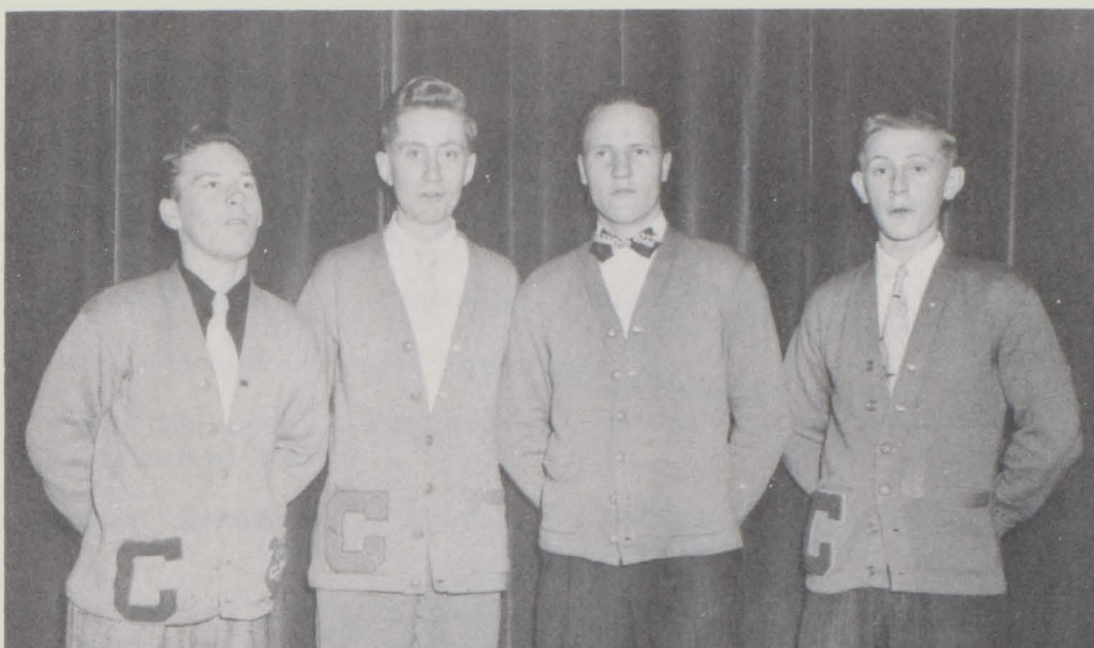

This group under the capable direction of Mr. Bender has made several appearances throughout the state of Wisconsin.

They consist of two parts: The singers and the dancers. The singers sing folk songs of many countries in addition to the traditional English Madrigals.

The dancing group do several dances including the minuet, the schottische, the polka, a waltz quadrille, a Spanish Waltz, a singing quadrille, the Rye Waltz, the Herr Schmidt and last but not least the square dances.

Highlighting our past year were our appearances at the Wisconsin Centennial on August 11, 1948, and the State Solo and Ensemble Contest at Madison.

Looking back at this record, there surely can be no question as to the quality of this group and they will certainly fulfill their promise of things to come.

Shivering polar bear cub to his mother: "I don't care who my ancestors were ----- I'm COLD!"

One cow to another: "I have no idea how it tastes. Personally I never touch the stuff!"

Bear, standing at the door of his cave reminds a bird: "Remember now ---- call us about half past April."

Mother rabbit to her small son: "A magician pulled you out of a hat ---- now stop asking questions!"

Scientists have proved that there are enough germs in a kiss to kill a rabbit.  
MORAL: Never kiss a rabbit.

## THIS'N THAT

A man's eyes are like a sparrow. They go from limb to limb.

The best way for a girl to keep her youth is not to introduce him to anyone.

What he said to her:  
You have beautiful lips but I would put mine against yours any day.

When we are dead and planted,  
Afar from earthly din,  
By Mr. McKernon, we'll hear chanted,  
"Hand your History in!"

OOoooh-----

The night was dark and stormy,  
The thunder loud did roar,  
And many people died that night  
That never died before.

"For years", she said, "I didn't know where my husband spent his evenings. Then one night I came home early, and there he was."

## IT'S A JOKE---SON

Son: Is it true that people come from dust?

Mother: Yes, the Bible says so.

Son: Is it true that people go to dust?

Mother: Yes, the Bible says so.

Son: Well, come quick under the bed. There is either someone coming or going.

Lady: "Two dozen diapers, please."

Clerk: "That will be a dollar and a half, plus 8 cents for tax."

Lady: "Never mind the tacks. I use safety pins."

Cop: (to excited lady driver) "Use your noodle lady, use your noodle."

Lady: "My goodness, where is it? I've pushed and pulled everything in the car."

Jean: "Changing a tire, eh?"

Casey: "No, no, I just get out every few miles and jack it up to give it a rest."

A timid knock at the door, "If you please, kind lady," said the beggar, "I lost my right leg."

## *Basketball Review*

The team, this year, hasn't a spectacular record, as far as wins and losses are concerned, having won 6 and lost 12. They did improve considerably over last year, due to the efforts of Coach McKernon, who raised the team to third place in the conference, compared to last place held last year. They are looking forward to an even more successful season next year.

This is a review of the players:

Schantini: High scorer for two years.

Gutenberger: Hard worker, good guard.

Primeau: Fine man on rebounds.

Dorst: Here for only one year, but proved his worth.

Radeztsky: Good shooting forward, with a year left.

Stecker: A fine guard and only a Junior.

Gierl: Next year's center.

Baumgartner: A good shot with two years to develop

Olson: Didn't play much, but should be in there next year.

Rindfleisch: Should play a lot from now on.

Steinke: Good ball handler with a year to improve.

Loos: A good guard this year, with a season to go.

# *Activities Review*

Activities hold an important position in life here at Colby High School. Athletics, Music and Forensics as well as several clubs are enjoyed by a large percentage of our student body.

Athletics, one of the major activities in Colby High, started its season with softball.

Volleyball also holds a top ranking position in our activities department. In '48 the team put up very good competition in the sectional and we are hoping for a very good season in volleyball and baseball this year.

In our music department we have the band, the chorus, and the dancing and singing groups of the madrigals.

The band consists of 43 ambitious and not-so-ambitious musicians. They made several appearances during the year including the Carnival, Christmas Program, an assembly program at Medford on February 23 and the pre-festival concerts. On the whole I'm sure you'll agree Mr. Hanson has done a fine job with the band.

The chorus, consisting of 55 voices, is another of our larger musical organizations. The first semester Mr. Hanson directed the chorus and then Mr. Bender took over to prepare them for the spring festival.

Probably the best known of our music groups is the CHS Madrigals. Their purpose is to learn the songs and dances of many countries. We have made many outside appearances.

We had an unusually successful one-act play cast this year. The play was Eugene O'Neill's "Where the Cross is Made". They received a first rating at the league and again at the District contest at Stevens Point. Finally, they received a "B" at the Regional contest.

The "C" Club and the Pep Club are two new activities in school. They both are aimed to create more interest and enthusiasm in athletics.

The Library Club was organized to assist Miss Heglund with the job of operating the library. Each month a social hour is held in the form of an afternoon tea. Book reviews are given and the girls have a very enjoyable time.

In leaving the halls of Colby Hi, we, the Seniors say, "So long, and may Colby Hi always stay on top."

Second Row: B. Rex, M. Gierl, A. Krueger, J. Gierl, F. Youmans, I. Schoelzel, J. Keller, B. Redlin, G. Schorer, E. Sommer, G. Keller, R. Brehm, A. Mielke, S. Smudde, M. Podevels, A. Hansen, E. Kunze, F. Mabbott.

The year 1949 was a very eventful year for the Future Homemakers Department of Colby High. The officers elected at the beginning of the year to take care of all the business were: Gloriette Olson as president, Beverly Hauser as vice-president, Ella Haas as secretary, Sharon Schultz as reporter, Evelyn Mielke as parliamentarian and Doris Oehmichen as historian.

Our first major undertaking was to feed the crowd at the Carnival last fall. We had a delightful Christmas party with Santa Claus present.

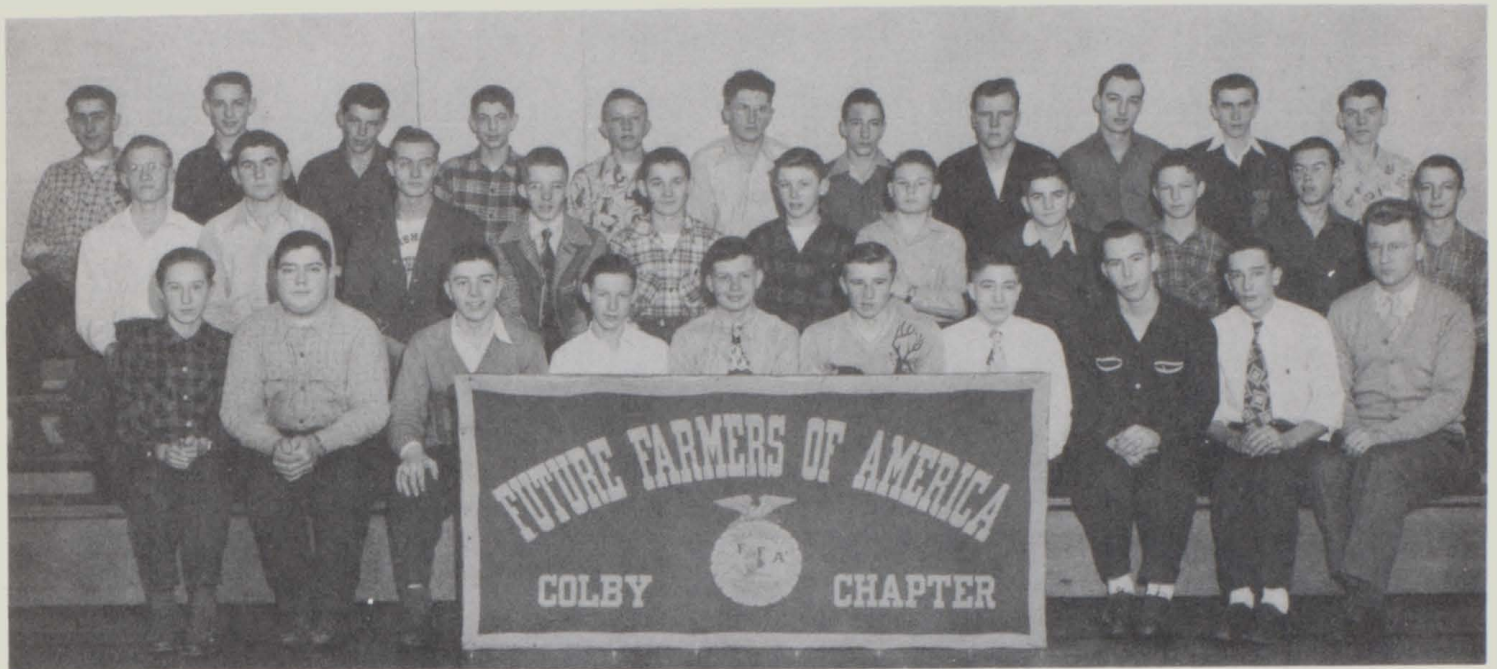

In January we had a joint initiation with the F. F. A. which turned out very nicely.

Another big job was completed when our chapter had charge of the program for the annual rally which was held at Greenwood.

We wish to thank Miss Peterson for the wise guidance she has given us during the year.

All in all the year was a very interesting and eventful one.

By - Gloriette Olson.

## *F. F. A.*

First Row: N. Meinke, L. Stettler, J. Gutenbergger, K. Schulz, J. Podevels, H. Baumgartner, A. Schuh, M. Thede, R. Schillinger, Mr. Erdmann, Advisor  
 Second Row: W. Remus, M. Ewert, R. Redlin, G. Schuster, S. Vrana, L. Kops, G. Smart, N. Ewert, R. Young, L. Amacher, W. Young.  
 Third Row: R. Kellner, N. Daufenbach, W. Uhlig, V. Buchanan, W. Hasseldick, W. Hamann, G. Zettler, R. Schmidt, H. Carr, M. Ewert, T. Forbish.

Under the expert guidance of our instructor Mr. Erdmann, the Colby Chapter has proven to be one of the more successful chapters in this part of the state.

The officers elected for this school term were as follows, Junior Podevels, president, Harold Baumgartner, vice president, William Waldhart, treasurer, Kenneth Schulz, secretary, Ambrose Schuh, sentinel, and Jim Gutenbergger, reporter.

The various activities for this year were basketball, softball, and a camping trip planned for the Juniors and Seniors. The FFA held a joint initiation party with the FHA and a skating party was held at Cherokee. Treating seeds for the farmers of the community is one of the services which the FFA provides.

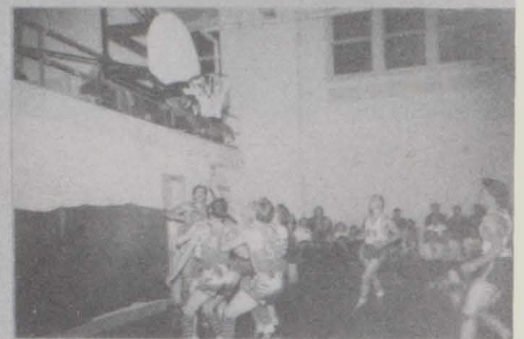

The school year of 1948 and 1949 has proven to be a very successful one for the Colby Chapter, and we hope that next year will be even more successful.
