

We, the Annual Staff of Colby High School, wish to express our sincere hope that your 1962-63 annual will serve as a treasure chest of pleasant memories for many years to come.

We hope you will think of your annual as a huge puzzle of many pieces, which, when put together will illustrate how each year and each activity helps to form the school life of a student.

Think of each of our lives as having millions of pieces. As we grow mentally, physically, emotionally, and socially, each experience is represented by a small segment. We realize that, during our secondary years, only a small portion of the puzzle has been completed.

Upon graduation from high school, it is up to the individual to successfully complete the rest of the picture.

Our thanks to all those who helped make this yearbook a success.
