### NHS Induction Ceremony

The National Honor Society was established in 1919 when J.G. Masters, Principal of Central High School in Omaha, Nebraska, was concerned that there was a growing movement among schools which emphasized only athletics. By 1921 he created the National Honor Society to recognize and encourage academic achievement while also developing characteristics essential to citizens in a democracy--scholarship, character, service and leadership.

The Colby Chapter of the National Honor Society has set the scholastic grade point requirement as a 3.25 minimum. and are judged to meet the stringent additional requirement. They are judged by a five-member faculty committee.
