

## “Travel Around the World”

### Movie Challenge 2022

With many people still limiting travel, let movies take you away! The 2022 Movie Challenge at the Colby Community Library will allow you to “Travel Around the World” in the comfort of your home.

Here are the guidelines for the Passport to verify your viewing “travels.”

1. Movies do not need to be travel documentaries about a specific country. Watch what you like to view!

2. Movies just need to mention or infer\* a country in the movie.

\*\*\*If a movie states that a character is flying to London, you may infer they are traveling to the country of England and use England as a country. Or if they talk about growing up in Paris, you may use France as a country.

3. If there are multiple countries in a movie, choose **ONE\*** only.

\*\*\*You may have several passports going at once to use different countries, but you may only use each movie **ONE TIME** for the year—the same movie may **NOT** be used on multiple cards even if it mentions more than one country!!!

4. Write the title of the movie on a numbered line on the left side of your passport.

5. On the corresponding numbered “stamp” on the right side write the country you are using for movie.

6. Ten (10) different countries on a passport puts you in the drawing at year’s end for prizes. Turn in all passports by December 29, 2022.

7. Movies **MUST** be checked out from the Colby Community Library to be eligible.

Have fun viewing as you “Travel Around the World.”
